

## Students at SAA set personal goals for 2019 using the power of one word.

Students at SAA do experiments to learn deeply about concepts in Science! These grade 2 students are answering the question: What qualities make one liquid unique compared to another liquid?

Mrs. Shmyr, Mrs. Kleparchuk and Mr. Lamer were happy to meet with parents who will have children in kindergarten next year at SAA during our Pre-K and Kindergarten Expo on Thursday evening. Kindergarten registration for the 2019/20 school year is now open at SAA.

### Community of Practice Visit

Your children may come home saying that they had a number of visitors to their classes on Tuesday afternoon. On January 22nd SAA will be proud to host a number of teachers who have registered in a workshop by the Edmonton Regional Learning Consortium on Inquiry/Project Based Learning. In this workshop teachers visit four schools in Edmonton and area over a number of months. The schools are: Sister Alphonse Academy in St. Albert, A. Blair McPherson and Roberta McAdams in Edmonton and Greystone Centennial in Spruce Grove. We are proud to be invited to collaborate with teachers in Edmonton and area who are working to implement Inquiry/Project Based strategies and pedagogy in the classroom. During this visit participants will take part in presentations by Workshop leader Mrs. Corrie Ziegler and listen to a presentation by Mr. Lamer and Mrs. Kleparchuk on Sister Alphonse Academy. Participants will then visit a few classrooms to observe classes in action and then meet some of the teachers from our school to discuss how they attempt to implement Inquiry/Project Based teaching within their classes.

### Author Visit - Mr. David Bouchard

On Wednesday, January 23 we are pleased to welcome Canadian Author David Bouchard to Sister Alphonse Academy. Author, educator, and presenter David Bouchard is a champion of the written word. He is a best selling author with over 50 books in both english and french. His storybooks are known to be visually stunning and to be literally refreshing. David writes amazing books and does presentations that reflect his roots and Aboriginal culture. His books have won numerous awards, including a Special Mention for Non-Fiction in the 2010 Bologna Ragazzi Awards for *The Drum Calls Softly*. In 2009, David Bouchard was also named as a member of the 'Order of Canada' for his achievement and advocacy in literature for Canadian children. David will be doing a presentation to our Gr. 4-7 students and then our K-3 students before am recess in

the morning. David has indicated that he shares his life experiences and stories so that students come to learn that they are all gifted. He believes every person has a gift that we must discover and we must then build our lives around that gift. His presentations emphasise that reading is one of the most important tools available to us all and that reading is for everyone. Anyone can read. It takes one book to become a reader. That's all. It just takes one book!

### **Partners in Prayer Parent Group**

We are still looking for parent volunteers to be part of our Partners in Prayer Group. This group would meet once a month at a time that is convenient to the group, it could be at the school, or in someone's home. The school would provide you with the student and staff intentions for the month and then the group would use a short Catholic liturgy to offer and pray for the intentions. Please call the school and leave your name and phone number with one of our secretaries if you are interested.

### **Sweetheart Soiree - Greater St. Albert Catholic Schools Education Foundation Fundraiser**

### **School Council News**

We had a great turn out for our January 16 School Council Meeting. Thank you to the ten parents who were able to attend. We discussed and provided feedback for many important topics including, payment of fees, District School Year Calendars and a possible date for a parent workshop related to Fundraising. We listened to a short presentation from Mr. Brass on Google Classroom. Next month we intend to provide school administration feedback on our school dress code, 2019/20 school fees, 3 yr. Education Planning and begin plans for staff appreciation. We welcomed parents who are willing to serve as Room Reps at different grade levels. These parents will ensure that we have good representation from all grade levels when we provide input and ideas to administration related to our school and District. We welcome all parents to our next meeting which is on February 13 at 6:30 pm. A reminder that school administration always includes a link to our agenda in the weekly bulletin that coincides with our meeting. You can access minutes of our school meeting by accessing on the school website under PARENTS. Click [here](#) to access previous meeting minutes that have been approved.
