A specific Code of Conduct for Students at Sister Alphonse Academy to support these expectations is as follows:

## SAA Student Code of Conduct - Safe and Caring Schools

At Sister Alphonse Academy our mission is to build a safe and caring culture through the example of Jesus Christ. It is based upon the belief that every member of our school community will foster dignity, respect and service through their actions, and that every individual is entitled to be treated with dignity and respect. Core values are responsibility and reconciliation. An attempt will always be made to implement logical consequences and restorative justice practices that encourage and maintain the God given dignity of every student. Teachers use effective teaching strategies and classroom management skills to minimize off task behaviour. Where required teachers and/or administration will notify parents and implement strategies to address concerns or inappropriate behaviors.

Within our school, we work at building an inclusive community where respect for one another, our community and diversity are celebrated. We work on this throughout the year developing relationships, student leadership, & social justice projects and the promotion of our school wide **Positive Behavior Support System**.

### Supporting Positive Behaviour at Sister Alphonse Academy

A school-wide approach to positive behavior promotes a **safe, orderly** and **predictable** environment for learning and teaching. This approach has significant effects within the school community: it creates a positive school culture that students, parents and staff perceive as safe and caring.

SAA **Positive Behavior Supports** focus on a **school-wide** set of behavior expectations that is corrective, not punitive in which positive dialogue is key. Our students will be encouraged to be safe, respectful and responsible at all times.

Our Positive Behaviour Plan, which is reinforced throughout the school year, recognizes each child as a gift from God and outlines expected behaviour using our school motto of **SERVE, ACHIEVE, AND ASPIRE!**

A specific ***Code of Conduct*** for Students at SAA to support these expectations is as follows:

GSACRD schools have adopted a pyramid of support framework for Supporting Positive Behavior and pursuing excellence in learning in all students. As stated in the Education Act, Section 11.(3), "In respect of a student referred to in subsection (2), if a student's behavioural, intellectual, learning, communication or physical characteristics, or a combination of any of them, impair the student's ability and opportunity to learn, a board may determine that the student is in need of specialized supports and services."

The pyramid has three levels of support. The first level is **UNIVERSAL SUPPORTS** for all students in the school and in a classroom. The second level is **TARGETED SUPPORTS** where some students who require extra support to build the skills they need. The third level includes **INTENSIVE INDIVIDUALIZED SUPPORTS** for students who require very specialized support.

### **Universal Supports**

May include instruction, positive and predictable

celebration of student achievement, on-going praise, open door counseling, teams, clubs, Zones of Regulation, etc. Sister Alphonse Academy has established our positive framework to **SERVE, ACHIEVE AND ASPIRE**.

differentiated reinforcement, fair consequences,

### ***Staff Roles at the Universal Level:***

The school will teach, model and reinforce safe and caring behaviour. School staff members will praise students for their contributions to creating a safe and caring environment. Teachers will have on-going assessment and positive communication with parents.

### ***Parent Roles at the Universal Level:***

The parent is the primary teacher of the student. Success of the student will increase when the parent is actively teaching, modeling and reinforcing safe and caring behaviour. Parents are encouraged to stay informed with the classroom teacher and praise the student for his/her contributions to creating a safe and caring environment at home or school. On-going positive communication or regular monitoring of student achievement by the parent will support the child and lead to higher academic success.

***Desired Outcome:***

With universal support in place, most students understand and comply with school rules and expectations most of the time. Minor incidents may occur and the student learns from the experience. No further support is required.

**Targeted Supports**

Targeted supports are added when the student is having difficulty with understanding and complying with school rules and expectations. There is a noted decrease in ability to follow expectations. As with Universal Supports, the focus is on teaching the student positive behaviours and problem-solving strategies. Targeted supports include universal supports and targeted supports such as: small group instruction of positive social skills, check in check out, staff mentor, Rotary Mentorship Program, counseling, accommodation checklist, self-monitoring of behaviour, individual reinforcement systems, tracking, reward system, consultation with division supports for positive behaviour.

***Staff Roles at the Targeted Level:***

School staff members document incidents and communicate the increase in non-compliance to parents. Staff members work together with the family to support the child to demonstrate safe and caring behaviour. Staff members continue on-going communication and reinforcement of desired behaviour.

***Parent Roles at the Targeted Level:***

Parents work together with the school to support the child to demonstrate safe and caring behaviour. Parents are encouraged to have on-going communication with the school staff members so the desired behaviour is reinforced both at school and at home with consistency.

***Desired Outcome:***

When the child can demonstrate safe and caring behaviour, the support may decrease. However, some children will always require this level of support. The school and parents continue to teach, model and reinforce safe and caring behaviour. School staff and parents praise the student for his/her contributions to creating a safe and caring environment.

**Intensive Individualized Supports**

The student continues to have difficulty with understanding and complying with the school rules and expectations even with the targeted and universal support. The student contributes to an environment that is not safe and caring. Intensive supports include universal supports, targeted supports and intensive individualized supports such as: referral to outside agencies, individual counseling, Wrap Around, alternate programming, positive behaviour plans/ individual program plan, Safety Plan, Educational Assistant support, assessments, one on one support.

***Staff Roles at the Intensive Level:***

School staff members will meet with parents to discuss the present situation. Together, staff members and parents discuss possible solutions for the student. Staff members will continue on-going communication and reinforcement of desired behaviour.

***Parent Roles at the Intensive Level:***

Parents are encouraged to meet with school staff members to discuss the present situation. Together, staff members and parents discuss possible solutions for the student. Parents continue on-going communication with the school and reinforce desired behaviour.

***Desired Outcome:***

When the child can demonstrate safe and caring behaviour, the support may decrease. However, some children will always require this level of support. The school and parents continue to teach, model and reinforce safe and caring behaviour. School staff and parents praise the student for his/her contributions to creating a safe and caring environment.

**Common Statement on Frothing and Protocol Respecting Drug Free Schools**

Greater St. Albert Catholic Schools, St. Albert Protestant Schools and the local detachment of the RCMP are working together to ensure that St. Albert students feel safe in their schools. Together we have developed this common statement to remind parents and students of policies regarding frothing and drug use in schools.

**Protocol Respecting Drug Free Schools**

Be advised that all junior and senior high schools in St. Albert are committed to implementing the Protocol Respecting Drug Free Schools. It states: Possession of or trafficking in illegal drugs in any form is an act utterly incompatible with the School Act, which states that students are to comply with the rules of the school and respect the rights of others. In all cases, parents or legal guardians will be notified.

**Prohibited Items**

The following are not permitted on school property at any time: alcohol, cannabis, tobacco, illegal drugs, sunflower seeds, energy drinks, vapour/e-cigarettes, lighters, matches, laser pointers, air horns. Consequences for having or being under the influence of any of these items on school property can involve severe consequences including suspension and/or expulsion and can include the involvement of the RCMP.

**Cell phone use**

No cell phone devices are permitted in the classroom without the consent of teachers. Student devices should be kept in lockers unless otherwise instructed by the teacher.

**Frothing**

All students have a right to feel and be safe in their schools. To ensure that this is true in St. Albert, both school jurisdictions and all schools are working together to send out an important message. Many other groups are supporting this message, including the City of St. Albert, the RCMP, Alberta Justice, the St. Albert SAIF Society, the St. Albert Association for People with Disabilities, and the St. Albert Youth Centre. The message is very clear. Frothing is not acceptable

behaviour. It is, in fact, an assault. Any student involved in such an activity will face suspension and possible legal charges or expulsion. We will refer any froshing activities to the RCMP.

**Grounds for suspension/expulsion include behaviors such as:**

- actions which threaten the safety of yourself or others
- possession/selling of illegal drugs, alcohol, or inhalants
- going against district-wide policies about harassment, smoking, attendance, and student responsibilities
- open defiance of authority
- interference with the orderly conduct of the school
- demonstrating opposition to the student code of conduct as per the School Act

**Lockers**

**Please remember that the locker belongs to the school, not the student.** Students are expected to keep their lockers clean and treat them with respect. Lockers are to be locked to secure belongings. Along with parents our aim is to help students be responsible for their personal belongings.

**Food and Drink in Classroom**

Foods are permitted in the classrooms during nutrition and lunch breaks. Any other times food is permitted is at the discretion of the teacher.

**Student Dress Code:**

Students are expected to dress appropriately for school in keeping with the Catholic faith and values. Clothing or accessories must not have offensive wording or graphics. Students wearing inappropriate or revealing clothing will be asked to change into other clothing. For safety reasons, footwear must be worn at all times.

**Hats**

Students can wear hats in school and in their classes except during school celebrations, morning prayer, O Canada and when special guest speakers come into the school to deliver presentations.

**Hoodies**

Students are permitted to wear hoodies, but hoods need to be down. For safety reasons we need to be able to identify all the people in our building.

***This code will be reviewed for its effectiveness in meeting Division expectations annually.***
